What experience have you had already with VIDES UK?

Why do you want to be part of the Outreach & Development Team?

What do you hope to receive from this placement?

Have you ever lived in a Community before?

What, if any, do you perceive to be challenges for you during the placement? Can you think of how VIDES UK may support you to help with this?

What do you feel that you can offer to the community where you will live?

Is there anything else that you would like to say?
